

STUDENT SELECT

Affordable Health Insurance

For College Students

GEORGIA

Tuition, books, rent, food, fun... health insurance?

With all the things you have to pay for in college, paying for health insurance is probably last on your list. But what's last on your list could be the first thing to put you at serious financial risk. Think about this — if you're currently without health insurance, just one knee injury could cost you up to \$12,000*.

That's why Time Insurance Company created Student Select — renewable, individual health insurance for college students.

Student Select is ideal if you find yourself in one of the following situations:

- Are you no longer eligible for coverage under your parents' health plan? Many health plans only cover you up to age 19-23, or they require you to have more college credit hours than Student Select.
- Does your college or university require coverage but you find the college-sponsored plan inadequate? Many college or university plans offer "bare bones" benefits that may not be enough to give you financial security against large, unexpected expenses.
- Do you attend school outside an HMO or PPO region? Restrictions on coverage outside HMO or PPO service areas may leave you with inadequate protection.
- Is your current health coverage too expensive? Traditionally, individual major medical plans cost two to three times as much as Student Select. The cost to include a student on an employer's health plan as a dependent can also be very expensive.

*Based on an actual Assurant Health Student Select claim.

Who's Eligible for Student Select?

To be eligible for Student Select coverage, you must be:

- A healthy full-time* college student under the age of 30.
- A student attending a state-accredited college or university. (The college or university must be listed in the Higher Education Directory.)
- A student who maintains full-time status for a minimum of 31 days following the effective date of the policy.

*Full-time is defined as an undergraduate student taking nine or more college credits or a full-time graduate student.

Here's How Student Select Works

- You choose the deductible that best meets your needs and budget: \$250, \$500, \$1000, \$2500
- Since this plan is not an HMO or PPO, you pick your doctors and hospitals.
- For additional savings, you can use the doctors and hospitals participating in PHCS Healthy Directions. Simply call PHCS at 1-800-357-6847 or visit them on the web at www.phcs.com to verify that your doctor or hospital is part of the PHCS Network. When using the web, click on "Find a Provider," then "Start New Search." Under Step #2, choose "Healthy Directions/Access Advantage" from the drop down menu.
- If you change schools, take a semester off or have to leave school, Student Select travels with you. And, because Student Select is renewable, you can keep your coverage for as long as it's needed.

Benefits are paid as follows:

FIRST: You pay your calendar year deductible.

THEN: Once the deductible is satisfied, Time Insurance Company pays 80% of the next \$10,000 of covered expenses.

THEREAFTER: Time Insurance Company pays 100% of remaining covered expenses up \$100,000 for each illness or injury. Your total plan maximum is \$1 million.
